To Whom It May Concern:

Yesterday, October 6, 2015, the Committee amended its May 2015 monthly report in response to the RFAI inquiring into certain items on that report. The amendment does not yet reflect the correct cash on hand balance. As indicated in the Form 99 filed August 13, 2015, the cash discrepancy was a result of our previous treasurer's serious medical condition, which we realized after the fact. We indicated in the August 13 Form 99 that we were in the process of designating a new treasurer and reconciling the account activity to make all necessary amendments. Todd Schuh has now been designated Treasurer, as reflected in the amended Form 1 filed October 6, 2015. We will be amending all necessary reports to correct the cash on hand balance.

Sincerely,
Republican Party of Fort Bend County
